

## Evesham Flower Delivery Florists

Evesham Flower Delivery Florists at your finger tips is right below, nothing it says more than words than flowers delivered to your doorstep or office, it will only take a few minutes and will give so much pleasure.

The company is rurally based at Bay Tree Farm. Managing Director, Mark Keating and Company Director Mhairi Keating have over 20 years industry experience. Mark, previously a director of Interflora Ltd and past Chairman of Interflora British Group, says We are fortunate to be working with such a dedicated and motivated team of people in all areas of our business. Eden offers a fantastic range of exciting and different gifts as well as beautiful fresh flowers for UK delivery. Flowers are, and will remain the largest part of our delivered business, although these days many of our customers are looking for new ideas and products to send. At Eden4flowers.co.uk feel we are

well positioned to lead in this area. Proactivity and innovation in our product development, combined with a strong customer focus, are key to the success and growth of our business within the gift delivery market as a whole.
